ACCEPTED POSTER PREPARATION AND SET-UP INFORMATION

NOTE: Please limit your poster size to a maximum of 36 inches by 56 inches or we may not be able to provide you with an optimal posting location. Push-pins will be provided for affixing posters to display boards, or you may bring your own pins. There will be no electrical outlets available for any additional display mechanisms. Any form of cardboard tri-fold type posters are strongly discouraged since push pins will not keep them up!!

Set-up for all poster presentations will begin at 7:30 a.m. on Wednesday, February 19, at the MSU MEC “Troy” Center (811 West Square Lake Road, Troy, MI 48098). The exact display location of accepted posters will be assigned on-site.

Your poster should be posted on assigned poster board by 8:00 am.

FIRST LISTED poster presenters are also invited to be present beside their poster to answer any questions from faculty judges and attendees during judging period (i.e., approx. 8:30-to-10:30 a.m.). Posters should be available for display from 8:00 a.m. until 11:30 a.m., after which time they will be taken down.

SIX abstract submitters will be selected to present an eight-minute PowerPoint podium presentation of their EM case study/series between 10:30 and 11:30 am followed by two minutes of Q & A from EM faculty judges.

Announcement of poster and paper presentation award winners by Drs. Cronovich and Butki will take place in the auditorium at approximately 12:00 p.m.

All questions regarding your abstract/poster/paper presentation preparation should first go to your EM Program Director/Faculty. Other event-related questions can be emailed to Bill Corser (corser@msu.edu) or 517-918-3470.
