            The Forensic and Medical Evaluation of the Strangulated Patient

About the Speaker: William S. Smock, MD, MS, FACEP, FAAEM, Louisville Metro Police Dept.

Dr. Bill Smock is the Police Surgeon and directs the Clinical Forensic Medicine Program for the Louisville Metro Police Department. He graduated from Centre College in Danville, Kentucky in 1981 and obtained a Master’s degree in Anatomy from the University of Louisville in 1987. Bill graduated from the University of Louisville, School of Medicine in 1990 and completed a residency in emergency medicine at the University of Louisville in 1993.

He is an internationally recognized forensic expert and trains nurses, physicians, law enforcement officers and attorneys in multiple fields including: officer-involved shootings, strangulation, gunshot wounds, injury mechanisms and motor vehicle trauma. Dr. Smock is also the Police Surgeon for the Jeffersontown, Kentucky and St. Matthews, Kentucky Police Departments. He also serves as a sworn tactical physician and detective for the Floyd County Indiana Sheriff’s Department.
