“Detroit Trauma Symposium”
The Detroit Trauma Symposium is designed to address the continuum of care of the injured person. Presenters and attendees will represent physicians, nurses and allied health providers who work together to maintain the interdisciplinary cooperation, which is one hallmark of a coordinated system of trauma care. Attendees will gain knowledge about their own specialties as well as an increased knowledge and appreciation of the work of others on the trauma team.

The following notable speakers are scheduled:

Barie, Philip S., M.D., M.B.A.
Well Medical College
of Cornell University

Levy, Phillip, M.D.
Wayne State University
School of Medicine

Benson, Randall, M.D.
Wayne State University
School of Medicine

Lucas, Charles E., M.D.
Wayne State University
School of Medicine

Diebel, Lawrence N., M.D.
Wayne State University
School of Medicine

Mackersie, Robert, M.D.
UCSF-San Francisco
General Hospital

Eastman, A. Brent, M.D.
Scripps Memorial Hospital

Mattox, Kenneth L., M.D.
Baylor College of Medicine

Hemmila, Mark R., M.D.
University of Michigan
Health Systems

Pruitt, Jr., Basil A., M.D.
University of Texas
Health Science Center

Kashuk, Jeffry, M.D.
Hershey Medical Center

Wayne State University
School of Medicine

Vaidya, Rahul, M.D.
Wayne State University
School of Medicine

Ledgerwood, Anna, M.D.
Wayne State University
School of Medicine

Detroit Receiving Hospital is one of nine hospitals operated by the Detroit Medical Center (DMC). The 298-bed adult specialty hospital offers expertise in complex trauma, critical care, neuroscience and geriatrics. Detroit Receiving is Michigan’s first Level I Trauma Center, offering the state’s largest burn center; with a 24/7 hyperbaric oxygen therapy program. Its emergency department cares for more than 102,000 patients annually. In its affiliations with DMC and Wayne State University School of Medicine (WSU SOM), more than 95% of Detroit Receiving physicians serve on the faculty of the WSU SOM. As a teaching institution with a comprehensive medical residency program, almost 60% of emergency physicians practicing in Michigan received some of their training at Detroit Receiving Hospital.

CME Credit

The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this educational activity for a maximum of 14.0 AMA PRA Category I Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 13.50 hour(s) of ACEP Category I credit.

CEU Credit

The Continuing Medical Education credits (CMEs) being offered at this symposium, are applicable for RN/LPN license renewal in Michigan.
