Explore modes of treatment for endourology.

Cook Medical Residents Training Course
April 25, 2015

Cook Medical and KARL STORZ—ENDOSKOPE invite you to explore modes of treatment for endourology with a group of fellow clinicians. During the event, lectures will be followed by hands-on training. This will be an excellent opportunity to share ideas and gain insight from your peers.

Cook Medical—Advancing education and collaboration to improve patient care.
